

Sheet Street Surgery Newsletter

December 2025

Winter Newsletter

We are delighted to bring you the next addition of our newsletter

Surgery News

It's been a busy and exciting time at Sheet Street Surgery since our last update!

We are delighted to welcome a new cohort of medical students from Brunel Medical School, spanning Years 1 to 4. It's a privilege to play a role in training the next generation of doctors, and we look forward to supporting their learning journey.

In September, we were thrilled to welcome **Dr Rao** to the Sheet Street Surgery team. Dr Rao brings a wealth of experience and is already proving to be a fantastic addition to our practice.

Finally, we said a heartfelt farewell to a much-loved member of our team Terry who retired after an incredible 30 years of dedicated service. Her contribution to the surgery has been truly invaluable, and she will be greatly missed by colleagues and patients alike.

King Edward VII Hospital
From December we will have the exclusive use of some rooms at King Edward Hospital, these will be staffed by the Sheet Street Surgery Team.

Winton House
We're pleased to share that Sheet Street Surgery has partnered with Winton House. We look forward to working closely with their team to provide the best possible care and support for residents.

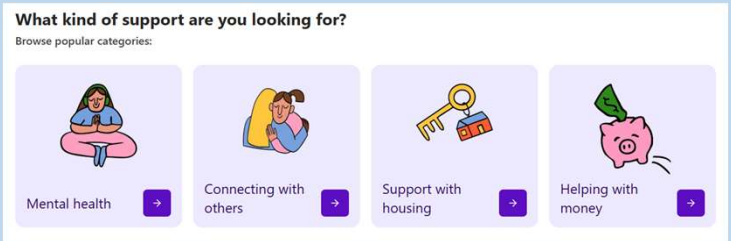

How we are doing.

(July – October)

Calls Made 15,000	E Consults received 2000	Calls Received 19,000

PPG News

We are excited to announce that the first Sheet Street Walk and Talk will take place with our PPG members on **Wednesday 14th January** at Stag Meadow in Windsor at 11am. You will be joined by Dr Johnson and members of the PPG. Everyone is welcome and it is a chance to get together with member of the community to build relationship whilst enjoying some fresh air.

Our wonderful team once again took part in the Santa Dash for the Alexander Devine charity. Raising an amazing £300

There is still time to support our team please donate if you can. Donate Now

NHS Updates

We have been advised that our local ICB will temporarily stop accepting new adult ADHD referrals as of the 1st December 2025. If you need any support please visit:
