

Sheet Street Surgery Newsletter

Summer Newsletter

We are delighted to bring you the next addition of our newsletter

Surgery News

We continue to be very busy training the next generation of doctors, and we are pleased to remain a training practice for Year 1–5 medical students from Brunel University, as well as to welcome new students from University College London.

We will also be joined by two GP registrars and a Foundation Year 2 GP in August, we look forward to welcoming them into the Sheet Street team.

Farewells
In September, we will be saying a very warm farewell to Dr. Stone and Nurse Trish as they retire from the practice.

After many years of dedicated service, they leave with our deepest thanks for the care, kindness, and commitment they have shown to their patients and colleagues. They have both been truly valued and much-loved members of the team and will be greatly missed.

We have a well wishes book for patients to sign at reception for both Dr Stone and Nurse Trish, please do ask at reception if you would like to leave them a message.

We wish them a long, happy, and well-deserved retirement.

King Edward VII Hospital
We are delighted to share that our new additional rooms at King Edward VII Hospital are now complete and ready for use. This fantastic new space will allow us to run a number of doctors' and nurses' clinics from the hospital, helping us to expand our services and improve convenience for our patients.

We are very much looking forward to making full use of these modern new facilities and the opportunities they bring for the practice and our community.

DR KATIE SIMPSON WELLNESS HUB

Health is More in the Absence of Disease!

The Dr Katie Simpson Wellness Hub in Windsor's Vale Road will shortly be launching a programme of community-based, free-to-attend, wellness focused session and events for all patients registered with every NHS GP practice in Windsor, to improve physical, mental and social wellbeing.

OPEN DAY: Saturday 19th September 10.30am-2.30pm at 80 Vale Road, Windsor SL4 5JL.

Please remember to Think Pharmacy First

Join Our Monthly Walking Group

Sheet Street Surgery

Everyone is welcome, regardless of age or ability. It's a great opportunity to enjoy some fresh air, gentle exercise and friendly conversation in a relaxed and supportive environment.

We meet on the second Wednesday of every month at 10.30am at Stag Meadow, St Leonards Road SL4 3DR.

Our next walk in **Wednesday 8th July** and we would love to see you there.

DATES FOR YOUR DIARY:
12th August 9th September 14th October 11th November, 9 December.

Please come along and give it a try!

NHS App Updates

The NHS App helps you to get well, stay well and manage your health care.
It's a simple and secure way to:

- request repeat prescriptions
- see your test results and appointment notes
- find NHS services
- get messages about your care

Download the NHS App today or find the same services on the NHS website: www.nhs.uk/nhs-app/

Meet Your Wider Healthcare Team

When you contact Sheet Street Surgery, you may be offered an appointment with a member of our wider healthcare team, such as a pharmacist, physiotherapist, paramedic, social prescriber, care coordinator, or mental health practitioner.

These highly skilled professionals work alongside our GPs and practice staff to ensure patients receive the right care, from the right person, at the right time. Their specialist knowledge allows us to provide more personalised support, helping patients access advice, treatment, and services more quickly.

By working together as one team, we can offer a broader range of expertise and ensure that your healthcare needs are met in the most appropriate and effective way. This approach not only improves access to care but also helps us deliver the high-quality, patient-centred service that Sheet Street Surgery is committed to providing.
